## Dear Members and Friends

Our *Classics Close Up* concerts so far this year have been excellent, although audiences have been disappointing. We would like more people to enjoy this quality entertainment in the second half of the year, otherwise it may not be able to continue in its present form.

The next concert on **SUNDAY JULY 5** features Nigel Bardsley with Leanne Swanson in an afternoon which will feature the music of that legendary violinist and composer, Fritz Kreisler. So make sure you don't miss it.

Our new website is now up and running and I'd like to give a special thanks to Susan Russell for her hard work in achieving this wonderful website [www.redlandsartscouncil.org.au](http://www.redlandsartscouncil.org.au)

The Macleay Island Arts Complex will present an exhibition titled "Medieval & Beyond." It runs from June 5 until June 28 and will feature the works of the Arts Complex pottery group members.

Queensland State Archives, RAC and Redland Museum will present a rare collection of Queensland's most significant historical documents, from July 13 – 31 as part of the QAC Ontour exhibition, providing a valuable insight into the State's rich and colourful past. See it at the Redland Museum.
